

You Win Some, You Lose Some.

- We generally look at rewards (financial and emotional) of any given career.
- Rarely are personal and spiritual rewards mentioned.
- Sacrifices not noticeable immediately.

What can you do if you realize you don't like your job?

1. Change jobs.
 1. Why might that not always be the best choice?
 1. Retirement
 2. Job Market
 3. Family
2. Stay at your job and use your free-time to pursue your other values.

Look back on p. 36/16

- What were your top 3 values?
- What is your dream career?
- What values are met by that job?
- What values do you sacrifice?
